HIPAA Compliance Patient Consent Form

Our notice of privacy practices (on the back) provides information about how we may use or disclose protected health information.

The notice contains a patient's rights section describing your rights under the law. You ascertain by your signature that you have reviewed our notice before signing this consent. The terms of the notice may change, if so, you will be notified at your next visit to update your signature/date.

You have the right to restrict how your protected health information is used and disclosed for treatment, payment or healthcare operations. We are not required to agree with this restriction, but if we do, we shall honor this agreement. Patient Financial Responsibility

As a courtesy to our patients, we have enrolled in numerous managed care insurance programs. We are pleased to be able to provide this service to you, and we will make every effort to verify coverage and bill your insurance company correctly. However, it is not possible for us to keep track of all the individual requirements of each plan.

It is the responsibility of each patient to know the details of his or her insurance plan in addition to any lapses in insurance coverage. Any charges that occur as a result of insurance plan restrictions or lapses in coverage are ultimately the patient's responsibility. Unfortunately, if you do not inform us of special requirements required by your plan and we order medically necessary services, such as lab work, hospitalization, or supplies that are not covered by your plan; we may bill you directly for those charges. If current insurance coverage cannot be verified prior to each appointment, payment will be due at the time of service.

The office bills only for services performed by our providers. Laboratories are separate entities and will bill you or your insurance company for services that are performed. If you have any questions about your laboratory bill please contact them or your insurance company directly

Providing the highest quality of medical care for our patients is our primary concern. We are more than willing to provide that care within your insurance plan guidelines, whenever possible. With your cooperation you should be able to receive all of the insurance benefits you are entitled to, and we will be able to focus our efforts on striving to provide you with excellent medical care. Elite Primary Care offers a 50% discount for uninsured patients and this is payment is required at the time service is rendered.

We may charge an upfront $35.00 administrative fee for completing forms such as disability or insurance and medical records requests. Please be aware that these services may require up to seven to ten days to complete.

If an account is not paid in full within 90 days, a 25% collection-processing fee will be added to the outstanding balance and will be turned over to a collection company for further processing. No additional appointments will be made for delinquent accounts until they are brought current.

Checks returned for any reason will be assessed a $35.00 service fee in addition to the amount of the check. NSF checks must be redeemed with certified funds and checks will no longer be permitted as payment.

We attempt to contact every patient to remind them of their appointment; however, it is the responsibility of the patient to arrive for their appointment on time. Elite Primary Care also reserves the right to charge a no-show fee for patients who miss appointments without calling to cancel within 24 hours of the appointment. The current no-show fee is $25.00 and is subject to change without notice.

I hereby authorize the physician to release any and all information necessary concerning my diagnosis and treatment for the purposes of securing payment from my insurance company; and thereby authorize payment of the insurance benefits directly to the physician for any services rendered that are not paid for directly by myself.

By signing this form, I understand that:

- Protected health information may be disclosed or used for treatment, payment, or healthcare operation
- The practice reserves the right to change the privacy policy as allowed by law
- The patient has the right to restrict the use of the information but the practice does not have to agree to those restrictions
- The patient has the right to revoke this consent in writing at any time and all full disclosures will then cease
- The practice may condition receipt of treatment upon execution of this consent

BY SIGNING BELOW, I ACKNOWLEDGE I HAVE RECEIVED A COPY, READ, AND UNDERSTAND THE FOLLOWING POLICIES. I ACCEPT THE RIGHTS AND RESPONSIBILITIES OUTLINED WITHIN THEM:

- Patient Rights Regarding Medical Records
- HIPPA Policy and Responsibilities
- Patient Financial Responsibility including collections, no-show policy
